

Calling all Students making plans to go on to post-secondary training...
... 2 or 4-year college/university or Technical Training ...

Battle High School (BHS), Hickman High School (HHS), and Rock Bridge High School in Columbia, Missouri are hosting a "FAFSA Frenzy" with the MDHE (MO Department of Higher Ed) for ANY student wanting assistance completing the FAFSA (Free Application for Federal Student Aid).

The FAFSA is the primary application used by **federal**, state, and institutional financial assistance entities in determining an individual's eligibility for **grants**, **loans**, work-study, and **scholarships**.

- Many post-secondary institutions look at a *March 1 deadline*, for scholarships.
- A short presentation and then a CONFIDENTIAL place to complete the FAFSA paperwork with an expert will be available at all locations.
- **Remember: Started in Academic Year 2017-18**, the traditional submission date of January 1 was **CHANGED** to **OCTOBER 1**. This will be a **permanent change** to the date.
- In addition, families will be able to use tax information from the year (2016).
 - The January 1 start date made it difficult for families to get their tax information gathered in time to complete the application. **By moving it earlier to October 1**, students will have more time to fill out this vital information, they'll have tax info at hand, and families will have more time to evaluate the post-secondary school's financial aid award package.
